

Tax Credit for Installation of Energy Efficient Windows

Official Manufacturer's Certificate of Windowcrafters

This Certificate is intended to show that Windowcrafters products when purchase with specific LowE, Argon and other options will meet or exceed the criteria established by the American Recovery and Reinvestment Act of 2009. Such products will qualify for the energy efficient home improvement incentives that allow for a tax credit of 30% up to \$1,500 per household in 2009 and 2010. Homeowners should consult their tax advisor to determine whether they qualify for the potential income tax credits under Section 25C of the Internal Revenue Code.

Windowcrafters is headquarters at 2033 Tucker Industrial Road, Tucker, GA 30084. Windowcrafters manufactures exterior vinyl windows that when purchased with the appropriate options qualify as Building Envelope Components eligible for Federal Tax Credit. Qualifying products shall meet a U-Value of 0.30 or less and a SHGC of 0.30 or less. Windowcrafters qualified products and NFRC's CPD numbers are below:
